**OAK HARBOR, OHIO – Wednesday, January 19, 2011** – The National Bank of Oak Harbor today announced that long term employee Marian Austin, after 33 years at NBOH, gave notice of her retirement. Her last day at the bank will be Friday, January 28, 2011. The bank also announced the appointment of Shannon Bloomfield as the successor to Austin. Bloomfield was hired in November 2010 and will continue to work closely with Austin as duties are fully transitioned.

Austin joined The National Bank of Oak Harbor on July 20, 1977 as a teller at the Oak Harbor office. She advanced to the new accounts desk and was promoted to Assistant Cashier. Austin transferred to the banks' Curtice office where she was the Assistant Branch Manager and named Assistant Vice President. She later became the Office Manager of this location. “Marian’s commitment to serve NBOH for over 33 years has been invaluable,” stated President and CEO Gary P. Macko. “On behalf of our entire organization, I wish Marian all the best in her retirement.”

Bloomfield began her employment with NBOH on Monday, November 1, 2010 as a Loan Documentation Specialist in anticipation of Austin’s retirement. She has experience as a loan documentation specialist and customer service representative with other financial institutions.

Macko said, “In the few months Shannon has been at NBOH, her proven experience in loan documentation has left us feeling confident this will be a smooth transition. I am very pleased to welcome Shannon to our team.”
